"On behalf of the Czech Choir Festival, I was pleased to be asked to invite the world-acclaimed Riga Dom Cathedral Boys Choir which represented the rich Latvian choir tradition at three different places of the Czech Republic in June 2014. The Czech audience was very enthusiastic about the high quality of the choir and professional conducting of its choirmaster, Mr. Martins Klisans, I fully recommend the choir and its conductor to be further supported in their wonderful work."

Lukáš MERKL

Foreign affairs manager of the Czech Choir Festival

"It is adorable to hear our boys and men singing so far away from their homes. I appreciate their full concentration on extremely difficult pieces of music which were chosen by their respected choirmaster. I am so proud of them and I am sure that wherever they are, they bring something special to local audience from their country of origin, my beloved home."

Alberts SARKANIS

Latvian ambassador in the Czech Republic

"The co-operation with the representatives of the choir was so pleasant from its beginnings. Apart from their three excellent concerts within the festival, I have to appreciate their approach, especially of their conductor, Mr. Klisans, to other choir singers because they had a very friendly workshop how to work with a choir and I think that it was very inspiring for other choirmasters and singers. This is one of the goals of our festival and thanks to Riga Dom Cathedral Boys Choir this goal was fulfilled."

Richard UHLÍŘ

Director of the Czech Choir Festival

"Thanks to the organizers of the festival, the Czech music which I personally love a lot is spread all around Europe and I appreciate a lot the fact that besides the great concert of our Latvian friends, the choir was a part of the "festival choir" which sang some pieces by my favourite Czech composer, Antonín Dvořák."

Zdeněk FINK

Mayor of Hradec Králové
